

BUS FEES - 2020

Transport

Private and direct transport to the NWS Campus from local regions is available. Discounts are given when a number of children from the same family travel from the one pick-up point. Financial contributions are kept as low as possible to sustain a viable service. Fee discounts do not apply to bus fees under any circumstances.

School and bus fees are billed to separate accounts and have different payment options. In order to travel on the school buses, your bus AND school fees must be up to date at all times throughout the year. Travel will be suspended should any portion of your fees be outstanding or late.

It is a requirement for all of our services to Officer, that a Conveyance Form be completed every year.

Contributions are set out below and are based on distance and time taken on the road. Contributions are paid per term and are as follows –
