Vacation Care

Vacation Care

Open to primary-aged students from Prep-Year 6, Vacation Care runs every school holiday break, offering care options for working families. Activities are planned both on-campus and off with experienced educators.

Vacation Care operates from 7 am until 6 pm each day of the school holidays (with the exception of Public Holidays).

Ms Kellie Blezzard heads up the Vacation Care program and holds a Dip. Education (Early Childhood and Care).

ú . . .

Vacation Care is open to all primary students at Heritage College. Primary aged children who are not currently students of Heritage College are welcome to attend, however, they need to complete a registration form prior to attending the program.

2

You can choose the whole program, or just choose the days that work for you. Simply notify the Vacation Care team when you register.

i . .

With subsidies of between 60-85% available for most families, Vacation Care is an affordable option at between \$13-\$34 per day (depending on subsidy rates available to each family from CCS).

ú

“Vacation Care offers interesting activities and themes for the children. It is run by caring, helpful and patient staff.”

“The children love outings to farms, water play, gardening and bushland visits.”

c . . i .

Just before each holiday break, the Vacation Care program is circulated via the newsletter and online, and parents can opt-in for days of their choice. Mark the days you would like your child enrolled in on the following page - Vacation Care Program and Booking Sheet. For further details, contact 03 9796 0100 or email vacationcare@heritagecollege.vic.edu.au to secure your booking.
